I updated the notes based on comments from Kris Garber indicating the following was most likely Nancy from EPA instead of Nancy from FWS. Thank you for the update Kris! See the note from Kris below.

I wonder if some of the "Nancy FWS" comments were really Nancy Beck (EPA)? I'm thinking of p. 17:

**PESTICIDE USAGE WORK GROUP (2/26/18)**

Form working group with decision-makers and experts from each agency to find a path forward; decisions will be elevated to the policy team members as needed.

Team members and a team lead will be identified by this Thursday.

Check in on methodologies and next steps in 2 weeks.

EPA will provide the malathion agricultural and non-agricultural usage report by March 31.
